

Your schools are now **destroying** children--they are allowing girls to be **raped** and then hiding it, so that the perpetrators can sexually assault even more girls (see how this happened in Loudon County)¹; they are allowing pedophiles to **groom your children for pedophilia** (see the statutory rape depicted in the comic books they have been allowed to place in middle school libraries)²; they are **enlisting the F.B.I. to hunt down parents** who dare to oppose their plans to morally lobotomize your children (see how Attorney General Garland instructed the FBI to put parents who object at school board meetings on the domestic terrorist watch list)³.

THE SKY IS NOW FALLING, AND YOU WILL LOSE EVERYTHING YOU CARE ABOUT IF YOU DON'T ACT NOW TO STOP THE MARXIST MONSTERS. YOU MUST GO NOW ONTO OUR WEBSITE:

The Coalition for Common Sense in Chesterfield County Public Schools

On the website, submit your email address and cell phone number so that we can coordinate the recall of the three CCPS school-board members who are part of the CRT mafia that is behind all of this.

If you don't get on our website, you clearly don't care whether your daughter will be the next girl to be raped, whether your middle schooler is the next boy to be recruited by a pedophile, or whether you will be the next parent who is put in prison for disagreeing with the school board.

After you sign up on the website, you are morally obligated to pass this message on to someone else (who lives in either the Midlothian, Clover Hill or Dale Districts) who you know can help to stop this catastrophe. If you don't pass this on you will be helping to prop up the monsters who are now destroying everything that you care about.

Proof that none of this is an exaggeration:
